

THE UNITED REPUBLIC OF TANZANIA

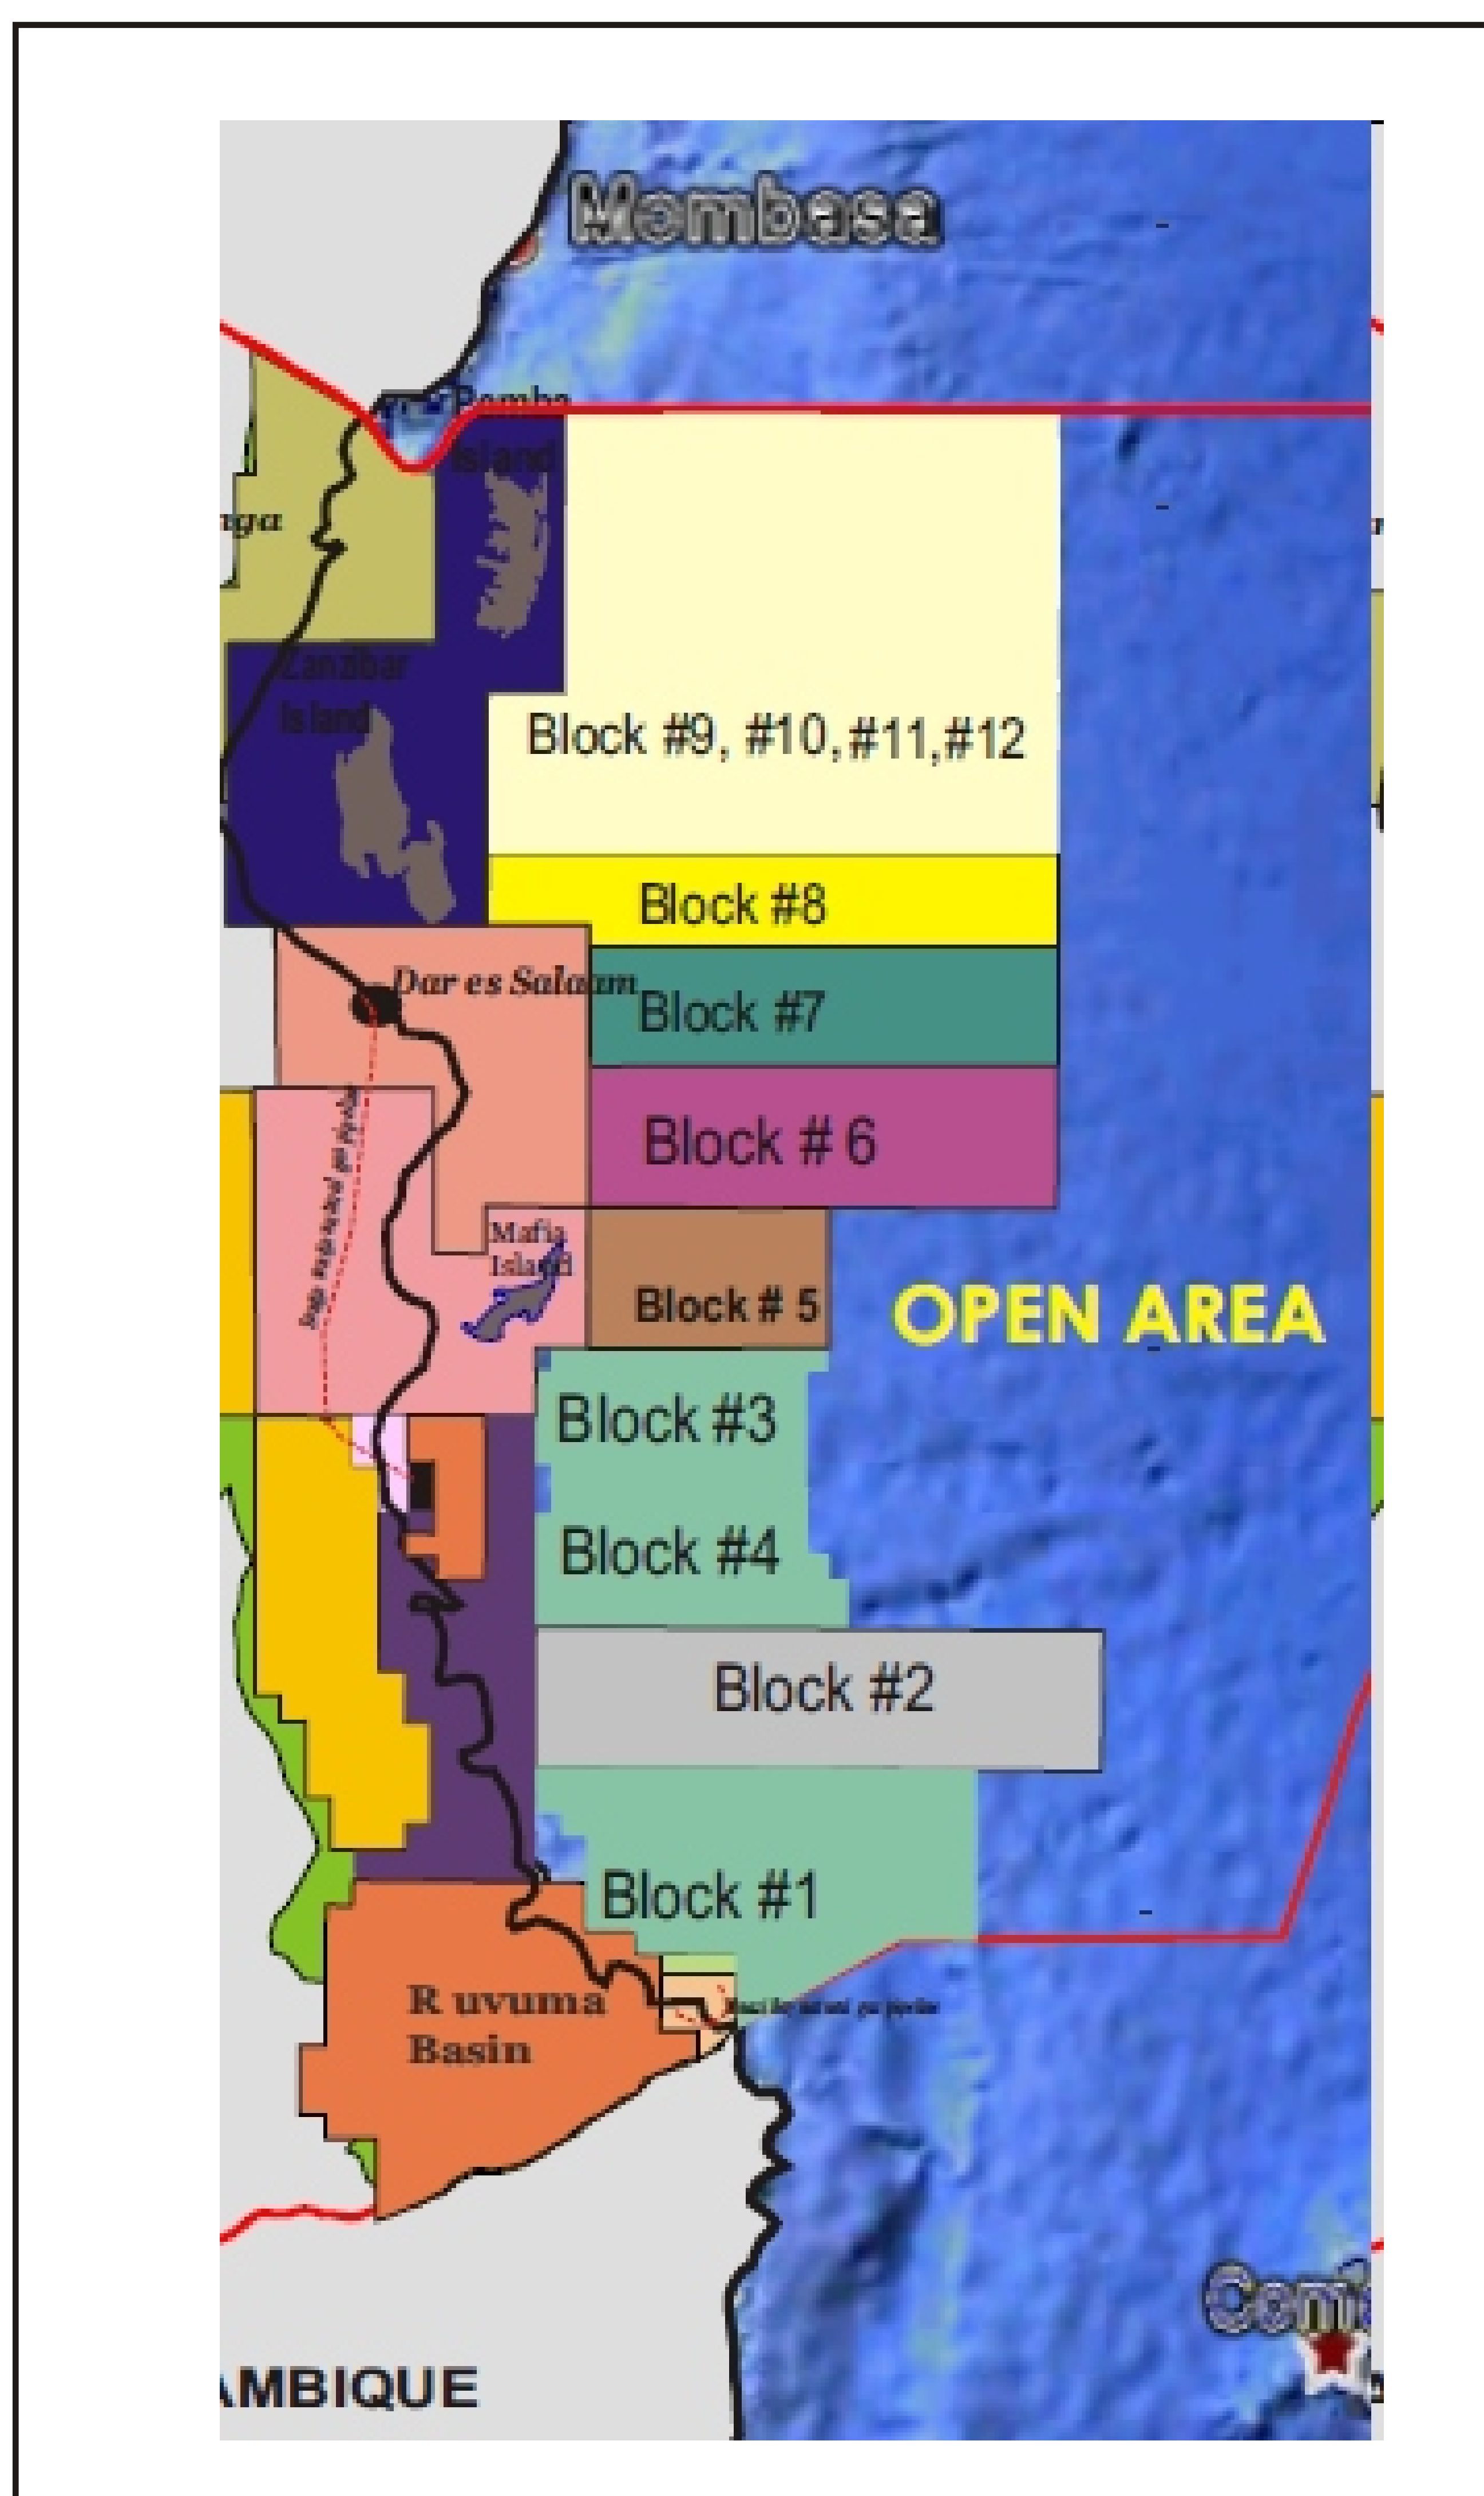

POSTPONEMENT OF

4TH OFFSHORE LICENSING ROUND

The Government of the United Republic of Tanzania through the Tanzania Petroleum Development Corporation regrets to announce the postponement of 4th deep offshore bidding round. The round was planned to be launched in April 2011.

This round will now take place in year 2012. The round has been postponed to give more time for preparations. This will include proper demarcation of new blocks using additional new seismic data
