

## INVITATION TO EXPRESS INTEREST

Statoil Tanzania invites interested companies to submit Expressions of Interest for the below onshore/offshore activities to be carried out in the United Republic of Tanzania for the short duration drilling of a single well required by our license. The following services and equipment will be tendered for in this phase:

LOT 1	Offshore Crew Change and SAR/Medevac Services
LOT 2	Offshore/Onshore Fuel supply
LOT 3	Offshore Support Vessels
LOT 4	Onshore Supply Base and Logistics Services
LOT 5	Offshore Drilling Services

Interested Companies may submit a formal Expression of Interest by sending an e-mail that includes scanned copies of the following required documentation:

1. A certified copy of company registration with the Trade Register.
2. Documented proof of relevant and recent experience in the Oil and Gas domain for offshore and onshore activities.
3. Professional references by customer testimonies (documented).
4. Quality Management System certifications and /or certificates proving the Company's compliance with International Quality Standards (ISO 9001).
5. Health, Safety & Environmental Management System certification or assessments proving the Company's compliance with International HSE Standards (e.g. ISO 14001, OHSAS 18001).
6. List of available services and equipment.

The e-mail request with the relevant documentation shall be sent to the following address:

E-mail: [GM\\_TANPROC@statoil.com](mailto:GM_TANPROC@statoil.com) . Please specify the title of service when sending emails.

Subject to delivery and compliance of the above documents, interested companies may be asked to be listed in the Bidders List for each Lot. Incomplete requests may be rejected at Statoil Tanzania's discretion.

The deadline for receipt of expression of Interest is Friday 21th July 2017 at 1500hrs. Expressions of interest received after the deadline will not be considered.

Any costs associated with the preparation of an Expression of interest shall be borne by the interested company which will have no recourse toward Statoil Tanzania in this regard.

**About Statoil Tanzania:**

Statoil is an international energy company with operations in more than 30 countries. Building on 40 years of experience from oil and gas production on the Norwegian continental shelf, we are committed to accommodating the world's energy needs in a responsible manner, applying technology and creating innovative business solutions. In 2007 Statoil signed a production sharing agreement (PSA) for Block 2 with Tanzania Petroleum Development Corporation (TPDC). Statoil Tanzania AS is the operator with 65% working interest with ExxonMobil Exploration and Production Limited as a partner with 35% interest.
